

MEMORANDUM FOR: DEPUTY FOR POLICY COORDINATION, SE

SUBJECT: Daily Progress Report for Wednesday, 23 April 1952

1. BGFIEND. Athens has advised that the first 1952 Albanian infiltration operation, the BGFIEND Apple Team, is scheduled for o/a 28 April. The conducting officer for this team, Col. Hysen Selmani, aide-de-camp to King Zog, is to remain in Greece until after the team's infiltration. The original plan to return Col. Selmani covertly to Egypt is being hampered by his desire to return directly from Greece and also his wish to see certain Albanian refugees presently in the Athens area. This is being countered by direct communication with King Zog.

2. BGCONVOY. No report.

3. QKEROIL. No report.

4. JBEDICT. No report.
